

31 Laguna Cres, Springfield Lakes

Gorgeous deck with suburban vistas

31 Laguna Crescent is a very appealing home. Situated in an elevated pocket of Springfield Lakes, this home is lowset at the front, but due to the sloping block has a stunning timber deck at the rear of the home with sweeping views of the suburb.

From the entry hall you have the generously proportioned master suite incorporating a WIR and contemporary ensuite.

The entry hall takes you to the impressive open plan living spaces. With the contemporary styled kitchen as the central hub of the living space, you will be impressed with the soaring vaulted ceilings and floor to ceiling windows.

At the rear of the home are the other 3 generous built-in bedrooms, the main bathroom and laundry.

The living space and one of the other bedrooms have sliding door access to the rear deck.

There is a double garage with remote controlled door access. Other features include a water tank, airconditioning and plenty of storage space under the house.

Springfield Lakes is well known for its community feel. There is every convenience available within a short distance. Shopping, schools, parklands to picnic by the lake, an enviable lifestyle!
