

34 Middle St, Esk

Triple gabled Queenslander on one acre of cleared land

This home has all the charm and character of a home from the 1930's. Starting its life in Everton Park this Queenslander was relocated to its current rural location. Sitting proudly in the centre of a cleared one acre block, it has become the perfect country retreat. The land has some stunning ghost gums, the home to some resident koalas.

From the front porch you enter into the formal living spaces adorned with magnificent ornate ceilings, a stunning timber arch with built in bookcases, picture rails and glossy hardwood floors.

This home has 3 generous bedrooms as well as a study/hobby room off the kitchen. The main bedroom has a stunning crystal chandelier, bay window and french doors to the ensuite bathroom.

The kitchen is reasonably modern fitted with white timber cabinets.

The current owner has created a stunning ensuite style bathroom with a stand alone bath to lie back and relax away the stresses of the day. This bathroom has beautiful frosted casement windows to let light flood in. There is a second bathroom which is tidy and functional.

Bake a delicious cake and team it with a steamy cuppa on the private rear deck overlooking the grassy back paddock.
